

VolunTeen Parent/Guardian Consent and Release of Liability Form

My son / daughter, _____, has my permission to serve as a Courtyard Early Learning Center VolunTeen. As the parent/guardian of the above-named student, I will read the literature that is provided to my child so that I know what will be expected of him/her, and agree to background check and pre-screening as required by the state of Missouri for regulation and licensing of Courtyard Early Learning Centers. Volunteering may include observing children in a daycare and preschool setting and observing indoor and outdoor play and learning activities, and/or business procedures.

I further understand that Courtyard Early Learning Center offers care and education to many children, ages infant to preschool, that may, from time to time, experience symptoms of illness, including but not limited to cough, fever or rashes, and that there is a risk, however slight, that my son/daughter might be inadvertently exposed to such symptoms, just as they would in a secondary school environment.

I do hereby fully and forever, remise, release and discharge Courtyard Early Learning Center (defined herein to include, but not be limited to, Courtyard Kids, LLC, Courtyard Kiddos, LLC, Courtyard Early Learning Center, their owner, directors, affiliated organizations, employees, agents, and representatives) of and from any responsibilities of illness, injury or accident as a result of the volunteering experience. I understand that in case of a medical emergency, every attempt will be made to contact me before medical action is taken. However, this document is my consent as parent or guardian for Courtyard Early Learning Center management and/or staff, to seek emergency treatment and/or procedures as necessary for my son/daughter.

I hereby, for myself and for my child, and intending to be legally bound, release, discharge and relieve Courtyard Early Learning Center (as defined above) of and from any and all claims whatsoever of any nature as a result of his/her volunteering and all related activities.
