Staffing Status

Here is a quick note of Courtyard happenings and reminders!

- Staffing – Due to illnesses, we are likely to be short staff this week. I would prepare backup care in the case that we need to send children home.
- Thank you for all you have done for us and our teachers to make this Christmas season amazing. We are blessed to have the families we have at Courtyard. We are excited to finish up 2021 and kick off 2022! *THANK YOU.*

We are green when we have adequate staffing.

We are on yellow when we are concerned about staffing, however, we are going to see how it goes.

We are on red when we are extremely concerned about our ability to staff the center.

- Backup Plan – When we are on “RED” please continue to have a backup plan should we ever need to send kids home. If we have to quarantine a string of teachers, or if an illness runs through the center, we will not have teachers for every classroom all day. Be prepared.
- Absences – When we are on “RED”, please remember to let us know in advance of planned absences.
